One-Year Online Certificate Program in Vedic Predictive Astrology

By Shri VishwaVijay Panchang.

About the Program

This is an intensive one-year online academic program in **Classical Vedic (Parāśara) Astrology**, designed for serious students who wish to develop a deep, methodical, and predictive understanding of Jyotiṣa. The program is rooted in traditional śāstra while being taught with contemporary clarity and practical application.

The course follows the **Prāśara School tradition**, drawing guidance from the editorial and teaching lineage of **Shri VishwaVijay Panchang** and **Pandit Hardev Sharma Trivedi**.
